

Thank you for purchasing our equipment. Please read this manual carefully and heed the safety warnings and instructions before installing, using or repairing the equipment. This will ensure not only the protection of persons, but also the long life of the equipment.

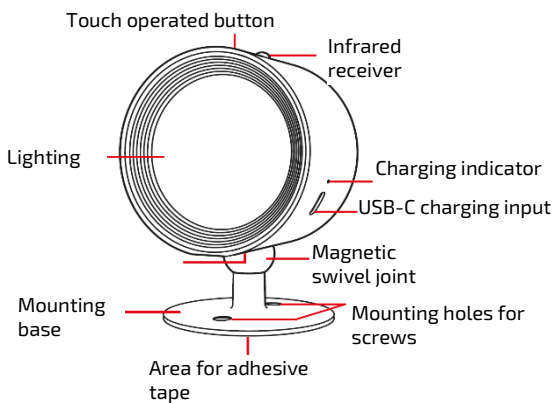

**TECHNICAL PARAMETERS**

<b>Luminous flux</b>	120lm
<b>Chromaticity temperature</b>	3000K, 5000K, RGB
<b>Batteries</b>	Li-Ion 3,7V 1200mAh
<b>Battery life (min./max.)</b>	4/8 h.
<b>Charging duration</b>	3 h
<b>Power</b>	USB-C
<b>Dimensions</b>	73 x 38 mm

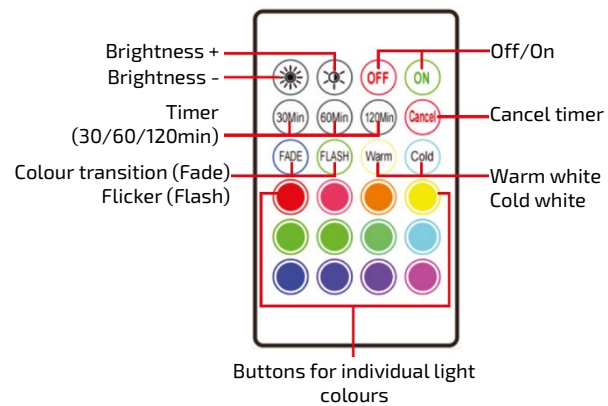

**GENERAL INFORMATION AND WARNINGS**

- The magnetic swivel joint allows convenient rotation and removal of the device from the mounting base.
- 360° rotation.
- Control by remote control or by touch button.
- The device contains a non-removable battery.
- Do not expose the device to high temperatures or fire.
- Do not disassemble or repair the equipment. If the equipment is damaged, do not use it!

**DESCRIPTION OF EQUIPMENT**

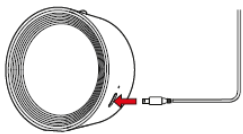

**DESCRIPTION OF THE CONTROLLER**

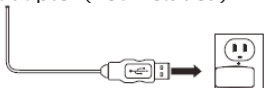

**CHARGE**

Plug the USB-C cable into the charging port.

Then connect the other end of the USB cable to the power adapter (not included)

The indicator will be red when charging. When fully charged, it will glow green.

**TOUCH BUTTON CONTROL**

- 2x quick press: switch on/off the device
- Press and hold: decrease and increase the brightness of the light
- Press the button to switch the light mode:  
1. Warm white; 2. Cool white; 3. Red; 4. Green; 5. Blue; 6. Color transition; 7. Flicker

The light source of this luminaire is non-replaceable, at the end of its service life the entire luminaire must be replaced and disposed of in a designated place. This product contains a light source that for design reasons cannot be removed for verification and therefore the entire product is considered a light source.

The product has been issued with a CE declaration of conformity in accordance with the applicable regulations. On request from the manufacturer: info@solight.cz, or downloadable from www.solight.cz/en.

**INSTALLATION**

**Installation with double-sided adhesive tape:**

1. Tear off the cover on one side of the adhesive tape and stick it to the underside of the mounting base
2. Tear off the other side of the adhesive tape
3. Clean the area where you want to place the device
4. Glue the mounting base to the surface
5. Place the luminaire on the magnetic joint

NOTE: Adhesive tape is not reusable.

**Installation with screws:**

1. Place the screws into the screw holes on the mounting base and then screw them into the wall
2. Mount the luminaire on the magnetic joint

NOTE: When using screws, we recommend using dowels.
